Color Legend

Department of Mental Health (DMH)

Designated Agencies

private, non-profit service providers that are responsible for ensuring needed services are available through program delivery, local planning, service coordination, and monitoring outcomes within their geographic region.

Specialized Services Agencies

private, non-profit service providers that provide a distinctive approach to service delivery and coordination or provide services that meet distinctive individual needs.

Private Providers

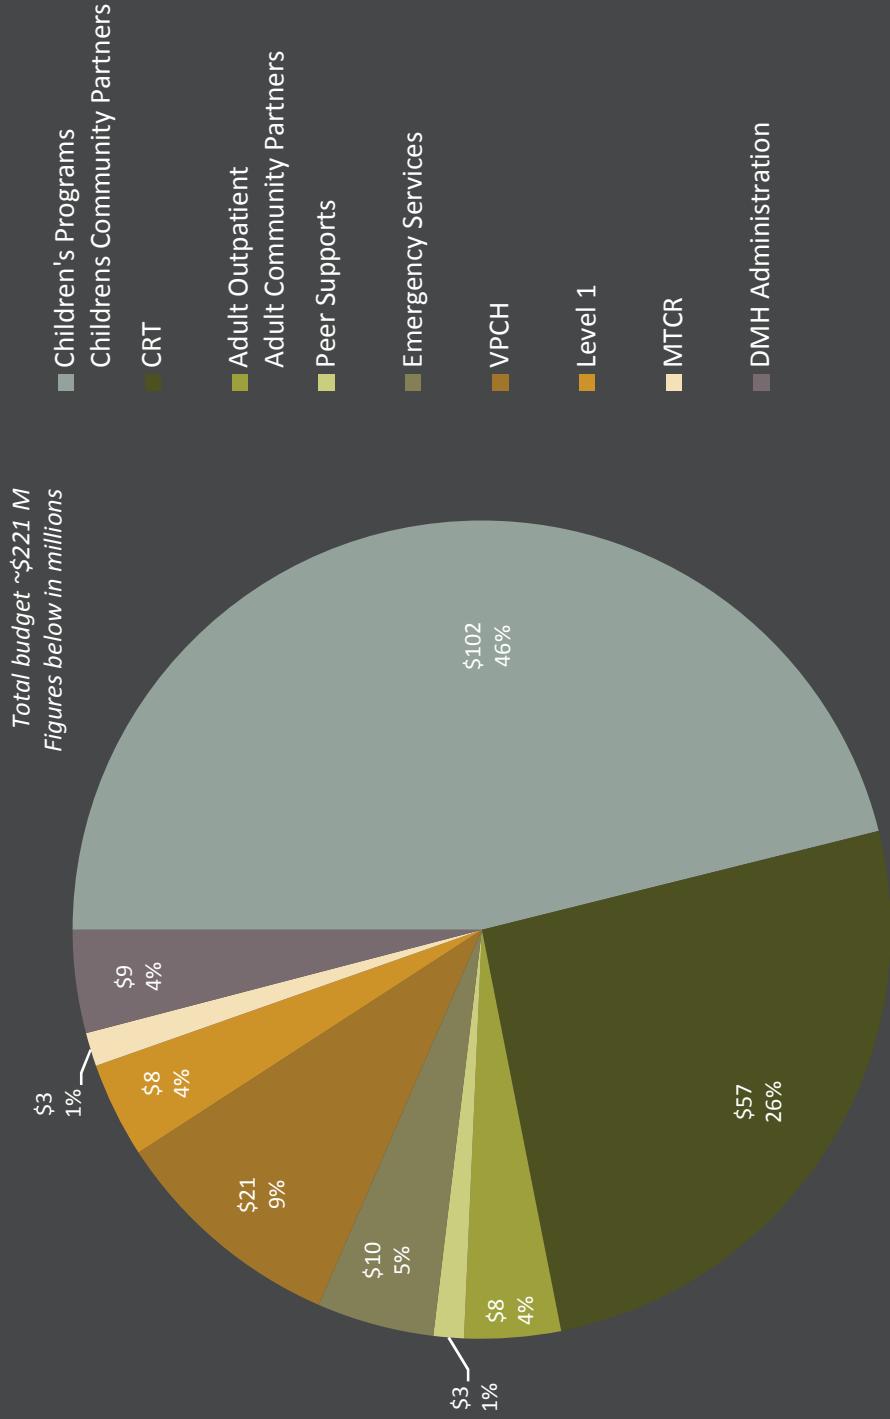

Psychiatrists, Psychologist, Nurse Practitioners, Social Workers, Physician Assistants, Licensed Mental Health Clinicians, Community Hospitals

Community Programs

Program	Description
Adult Outpatient (AOP)	Provides services for adults who do not have prolonged serious disabilities but who are experiencing emotional, behavioral, or adjustment problems severe enough to warrant professional attention
Community Rehabilitation and Treatment (CRT)*	Provides services for adults with severe and persistent mental illness
Children and Families (C&F)*	Provide services to children and families who are undergoing emotional or psychological distress or are having problems adjusting to changing life situations.
Emergency Services	Serves individuals who are experiencing an acute mental health crisis. These services are provided on a 24-hour a day, 7-day-per-week basis with both telephone and face-to-face services available as needed.
Advocacy and Peer Services	Broad array of support services provided by trained peers (a person who has experienced a mental health condition or psychiatric disability) or peer-managed organizations focused on helping individuals with mental health and other co-occurring conditions to support recovery

*mandated service population
